

RTR71 Trailer

	Feature	Advantage	Benefits
A	Full depth multi dimensional functional sipes	Counter irregular wear and rib tearing	Higher mileage and even wear
B	Optical sipes	Initial traction	Even wear
C	Corrugated cooling fins	Increased surface area & better heat dissipation	Long casing life
D	Chamfered solid shoulder	Counter sideways force in high scrub applications.	Even shoulder wear
E	Balanced rib ratio	Even pressure distribution	Higher mileage and even wear
F	Wear equalizer	Counters irregular wear and rib tearing	Improved tread and casing Life
